## Adding and removing users

Ester Andersson - 2024-02-16 - Roles

**Users in Learnifier are all users regardless of what role they have. With that said, both learners, administrators, and instructors are users. However, when we talk about users, we most likely refer to learners.**

Note

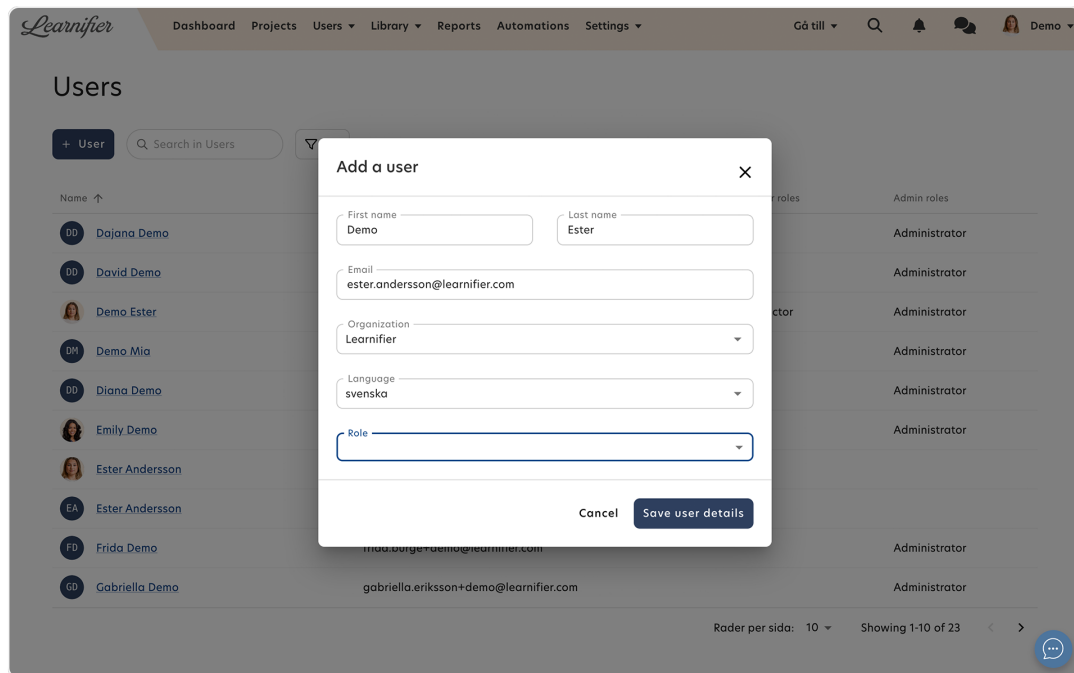

- Adding users
- Removing users

### Adding users

1. Go to the "User" tab and click "Add users"

Name ↑	Email	Trainer roles	Admin roles
Dajana Demo	dajana.bubic+demo@learnifier.com		Administrator
David Demo	david.berg+demo@learnifier.com		Administrator
Demo Ester	ester.andersson+demo@learnifier.com	Instructor	Administrator
Demo Mia	mia.lundman+demo@learnifier.com		Administrator
Diana Demo	diana.plantin+demo@learnifier.com		Administrator
Emily Demo	emily.svard+demo@learnifier.com		Administrator
Ester Andersson	ester.andersson@learnifier.com		
Ester Andersson	ester.andersson+demodemo@learnifier.com		
Frida Demo	frida.burge+demo@learnifier.com		Administrator
Gabriella Demo	gabriella.eriksson+demo@learnifier.com		Administrator

1. Enter the user's details and choose whether or not they should have any sort of administrative role.

1. All done!

## Removing users

1. Click on the users in the user list.
2. Under "Participations", you can see which course the participant is invited to. In order to remove them, you must first remove them as participants from these courses first.
3. Click "Delete"
