

Adding and removing users

Ester Andersson - 2024-02-16 - Roles

Users in Learnifier are all users regardless of what role they have. With that said, both learners, administrators, and instructors are users. However, when we talk about users, we most likely refer to learners.

Adding users

1. Go to the "User" tab and click "Add users"

The screenshot shows the Learnifier web application interface. The top navigation bar includes 'Dashboard', 'Projects', 'Users' (highlighted with a green arrow), 'Library', 'Reports', 'Automations', and 'Settings'. On the right side of the navigation bar, there are icons for search, notifications, chat, and a user profile labeled 'Demo'. Below the navigation bar, the 'Users' section is displayed. It features a '+ User' button, a search bar labeled 'Search in Users', and a dropdown menu showing '(0)'. The main content area contains a table of users with the following columns: Name, Email, Trainer roles, and Admin roles. The table lists ten users, including 'Dajana Demo', 'David Demo', 'Demo Ester', 'Demo Mia', 'Diana Demo', 'Emily Demo', 'Ester Andersson', 'Ester Andersson', 'Frida Demo', and 'Gabriella Demo'. At the bottom right of the table, there is a pagination control showing 'Rader per sida: 10' and 'Showing 1-10 of 23'. A blue circular button with three dots is located at the bottom right corner of the interface.
