Kopiere et prosjekt

Ester Andersson - 2024-05-22 - [Tips & Tricks](#)

For å kopiere et prosjekt, følg disse trinnene:

1. Klikk på kurset du vil kopiere.
2. Klikk på "Copy"

The screenshot shows the Learnifier course management interface. At the top, there is a navigation bar with 'Dashboard', 'Projects', 'Users', 'Library', 'Reports', 'Automations', and 'Settings'. Below this is a sub-navigation bar with 'OVERVIEW', 'PARTICIPANTS', 'WAITLIST', 'COURSE PAGE', 'EVENTS', 'ASSIGNMENTS', 'DETAILS', 'COMMUNICATIONS', 'REPORTS', and 'SETTINGS'. The main content area displays the course 'Customer Success Playbook' with a project title and a learner title. It shows the course was created by Demo Ester on July 1, 2022, and updated on August 16, 2023. There are buttons for 'Edit course', 'Preview', 'Delete', and 'Copy'. The 'Copy' button is circled in red. Below the course information, there is a section for '2 participants' with a status of 'Ongoing'. This section includes three circular progress indicators: '2' in a yellow circle (Not Started), '2' in a green circle (On Track), and a green checkmark (Completed). A legend below these indicators shows: 0 Not Started, 2 In Progress, 0 Completed, 2 On Track, 0 Overdue, 0 Not Invited, 0 Bounce Backs, and 0 Project Errors. To the right, there is an 'Awards' section with an 'Attach' button and a table with columns 'NAME', 'EXPIRES', and 'TYPE'. The table contains one row: 'Introduction to Learnifier', '6 months', and 'Certificate'. Below the awards is a 'Next Course' section with an 'Add Next Course' button.

3. Husk: Hvis du har kurskatalogen aktivert, vil kopieringen automatisk være tilknyttet den opprinnelige kursen, og hvis begge kursene er aktive i katalogen, vil de vises i samme samling.
