

E-postmaler

Ester Andersson - 2024-06-18 - Biblioteket

Hvis du ønsker å tilpasse portalen din, anbefaler vi at du oppretter egne eller tilpasser eksisterende e-postmaler.

Note

- [Legge til en ny mal](#)
- [Redigere en e-postmal](#)

Legge til en ny mal

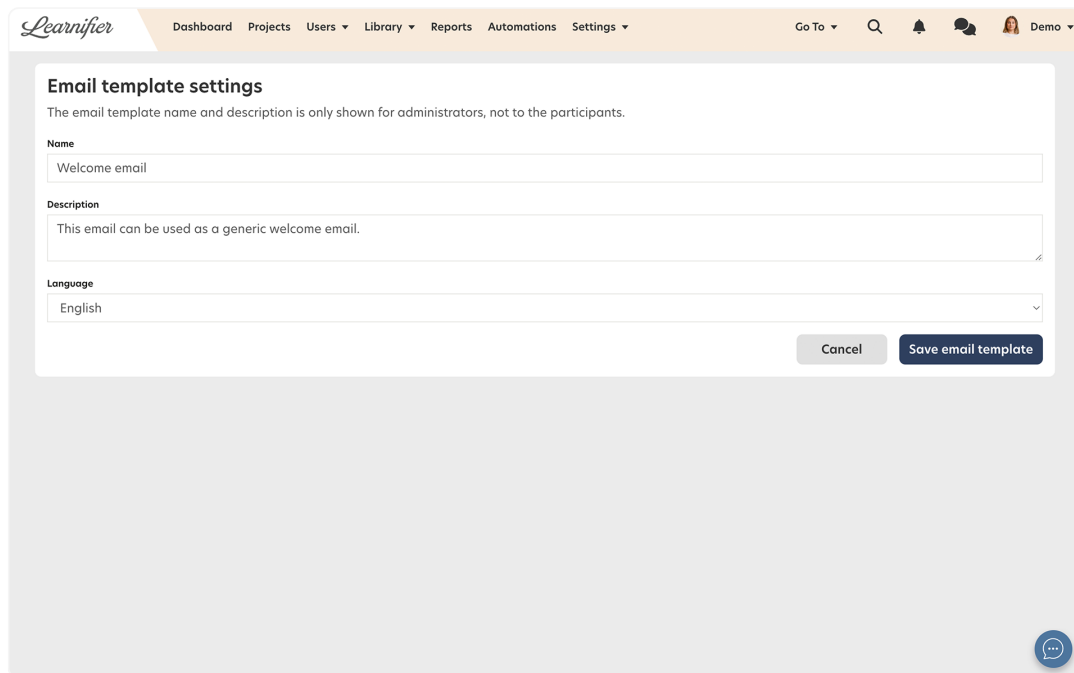

1. Gå til Library og klikk på "Email Templates".
2. Klikk på "Add Email Template" **eller** lag en kopi av en generisk e-postmal ved å klikke på den du vil kopiere, og deretter klikke på "Copy" (på denne måten trenger du ikke å bygge opp en e-poststruktur fra bunnen av).

The screenshot displays the 'Email Templates' section of the Learnifier application. The interface includes a navigation menu at the top with options like 'Dashboard', 'Projects', 'Users', 'Library', 'Reports', 'Automations', and 'Settings'. A search bar is present for finding templates. Below the search bar is a table with columns for 'NAME', 'ORIGIN', and 'LANGUAGE'. Three templates are listed: 'Learner – Course Invitation Template' (Generic, English), 'Learner – Course Invitation Template' (Generic, Swedish), and 'Learner – Course Invitation Template (Re-branded)' (Customized, English). A button labeled 'Add Email Template' is located in the top right corner of the content area, with a green arrow pointing to it. The footer shows 'Showing 1 to 3 of 3 entries' and a chat icon.

NAME	ORIGIN	LANGUAGE
Learner – Course Invitation Template	Generic	English
Learner – Course Invitation Template	Generic	Swedish
Learner – Course Invitation Template (Re-branded)	Customized	English

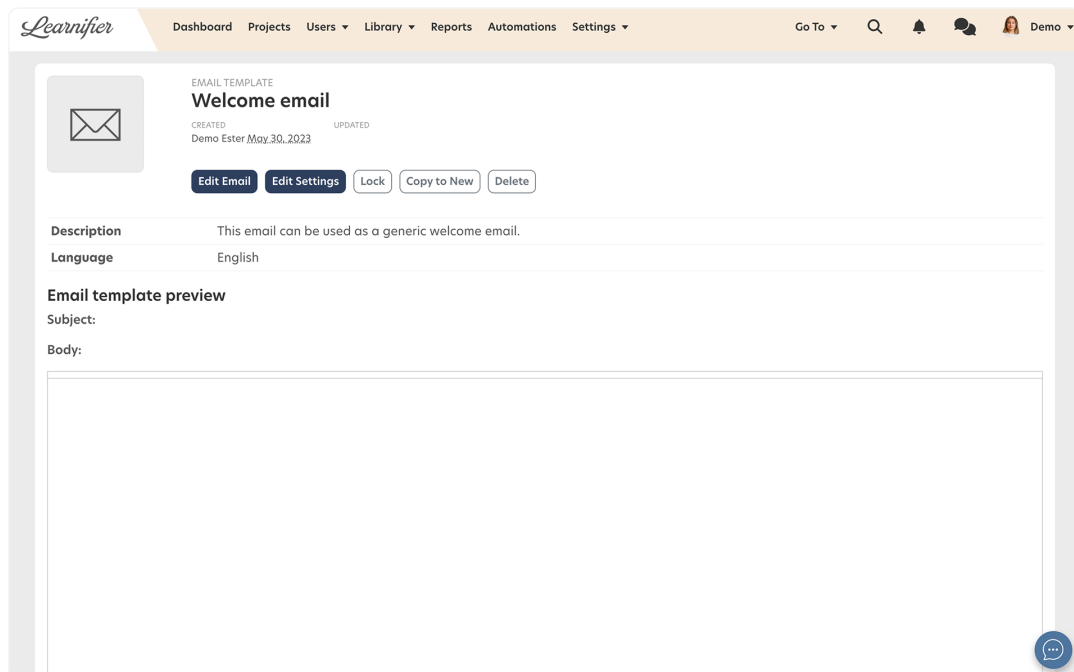

3. Angi et navn, beskrivelse og språk (bare synlig for administratorer) i feltene.

4. Klikk på "Save email template" for å lagre endringene dine.

The screenshot shows the 'Email template settings' form in the Learnifier application. The form is titled 'Email template settings' and includes a note: 'The email template name and description is only shown for administrators, not to the participants.' The form has three main sections: 'Name' with a text input field containing 'Welcome email'; 'Description' with a text area containing 'This email can be used as a generic welcome email.'; and 'Language' with a dropdown menu set to 'English'. At the bottom right of the form are two buttons: 'Cancel' and 'Save email template'. The top navigation bar includes 'Dashboard', 'Projects', 'Users', 'Library', 'Reports', 'Automations', and 'Settings'. The user profile 'Demo' is visible in the top right corner.

5. Når du har lagret endringene dine, åpnes et nytt vindu. Klikk på "Edit Email" for å begynne å gjøre endringer.

The screenshot shows the 'Welcome email' template details page in the Learnifier application. The page is titled 'EMAIL TEMPLATE Welcome email'. It includes a header with 'CREATED Demo Ester May 30, 2023' and 'UPDATED'. Below the header are four buttons: 'Edit Email', 'Edit Settings', 'Lock', and 'Delete'. The 'Description' field contains 'This email can be used as a generic welcome email.' and the 'Language' field is set to 'English'. Below this is an 'Email template preview' section with 'Subject:' and 'Body:' labels. The 'Body' field is currently empty. The top navigation bar and user profile 'Demo' are the same as in the previous screenshot.

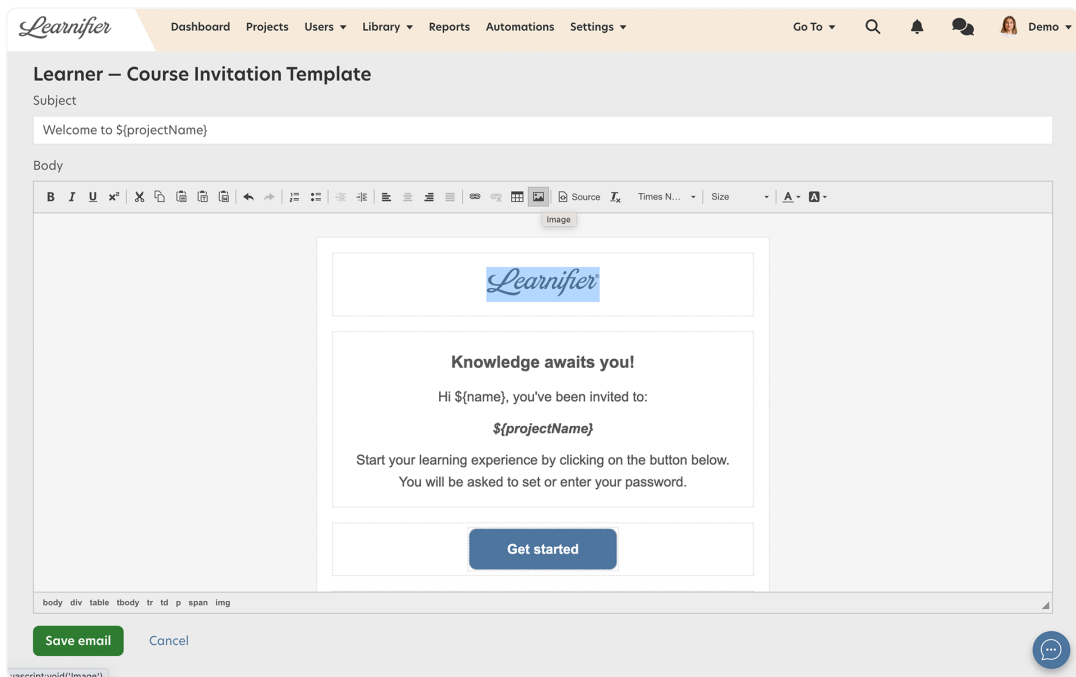

6. Lag e-postmalen din og lagre endringene dine!

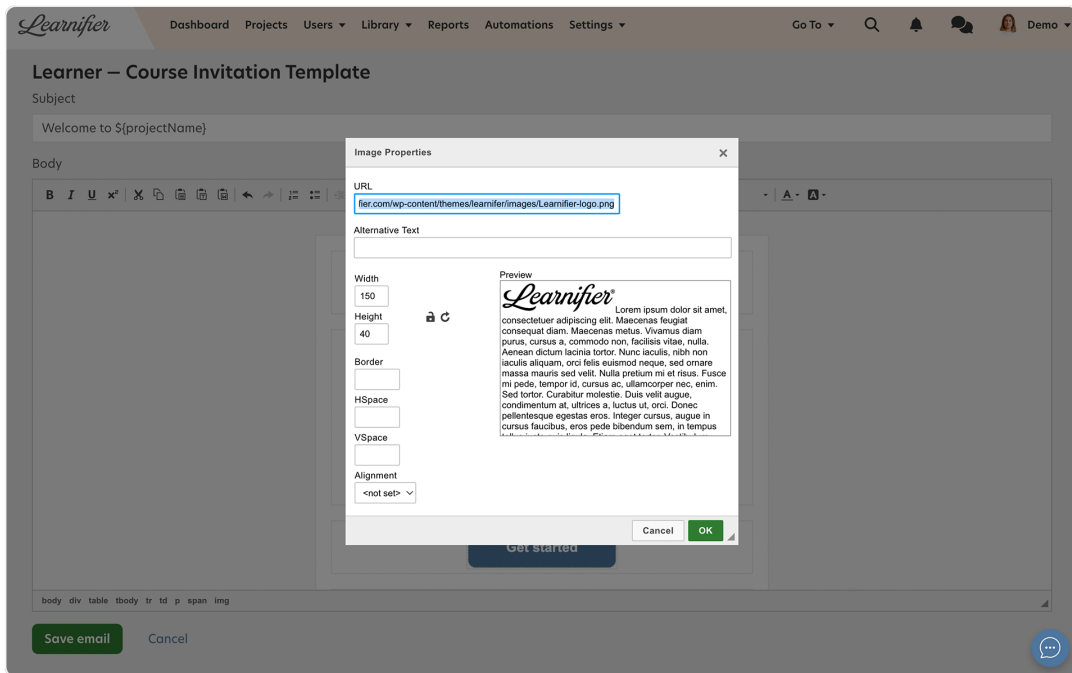

Redigere en e-postmal

Legge til et bilde

1. Velg bildet og klikk på bildeikonet i menyen.

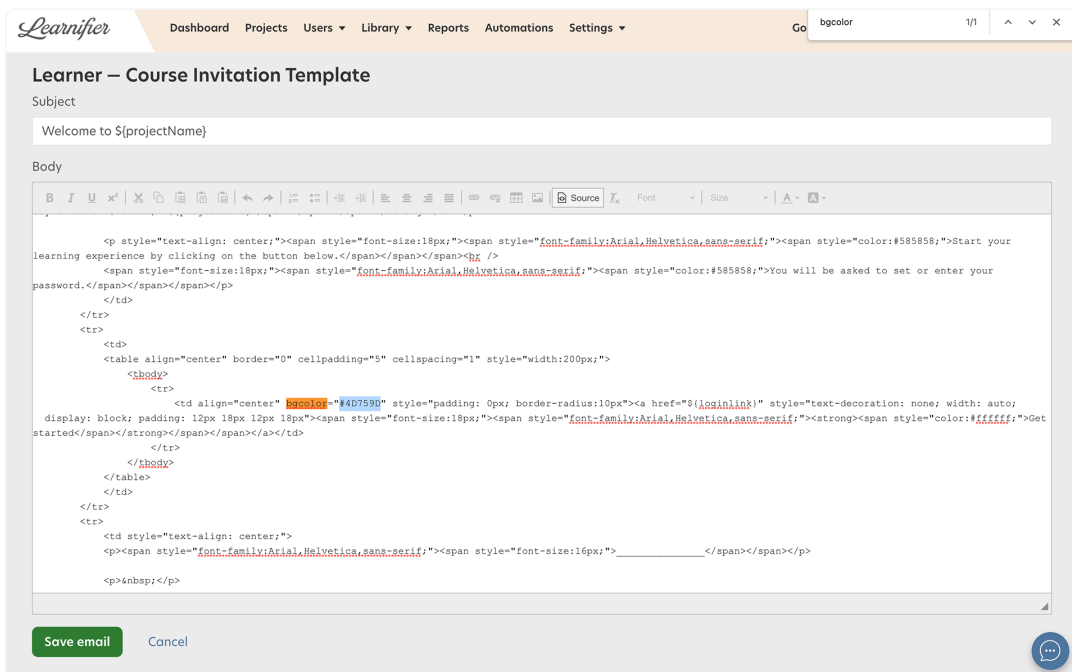

2. Legg til URL-en til det nye bildet og juster størrelsen slik at den passer til e-posten din.

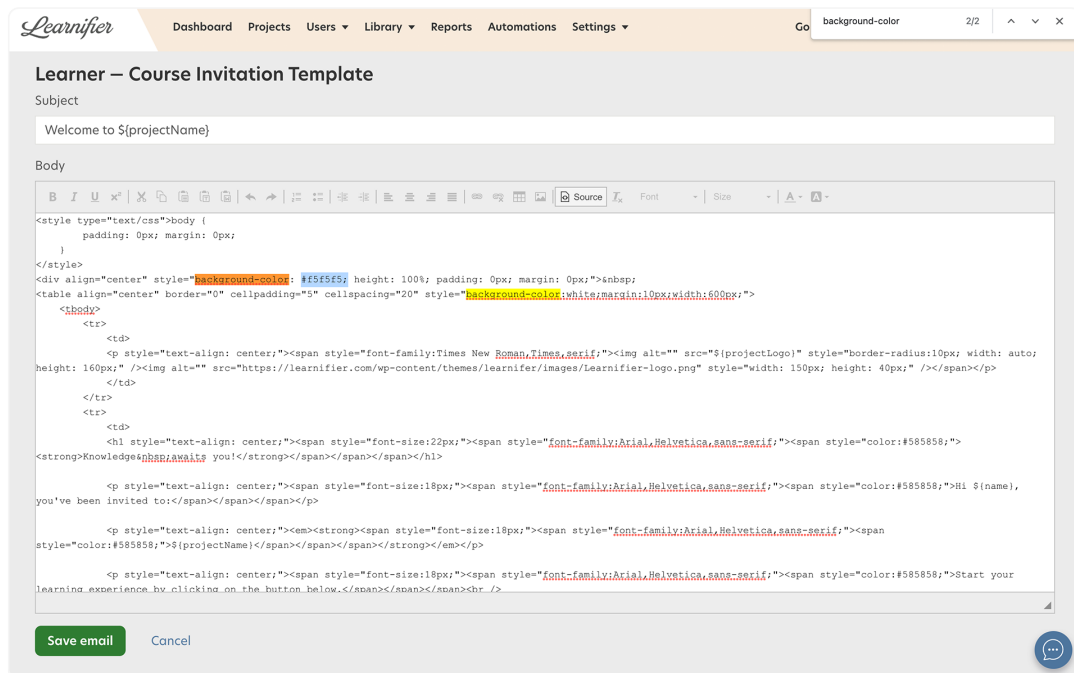

Endre fargen på knappen "Get started"

For å endre fargen på knappen "Kom i gang", gå til malbyggeren og klikk på "Source". Søk etter "bgcolor" og legg til HEX-fargen du har valgt.

Endre bakgrunnsfargen

For å endre bakgrunnsfargen på e-postmalen, søk etter "background-color" (den første) og endre den til HEX-fargen du har valgt."

The screenshot shows the 'Learner - Course Invitation Template' in the Learnifier email editor. The subject line is 'Welcome to \${projectName}'. The body content is displayed in a rich text editor with a source code view open. The HTML code includes a table with a white background and a 600px width. The table contains a logo and a main message. The 'background-color' attribute is highlighted in the code, and the value '#f5f5f5' is selected. The code also includes a 'background-color: white;' attribute for the table background.

```
<table align="center" border="0" cellpadding="5" cellspacing="20" style="background-color: white; margin: 10px; width: 600px;">
  <tbody>
    <tr>
      <td>
        <p style="text-align: center;"><span style="font-family: Times New Roman, Times, serif;"></span></p>
      </td>
      <td>
        <h1 style="text-align: center;"><span style="font-size: 22px;"><span style="font-family: Arial, Helvetica, sans-serif;"><span style="color: #585858;">
          <strong>Knowledge is waiting for you!</strong></span></span></h1>
        <p style="text-align: center;"><span style="font-size: 18px;"><span style="font-family: Arial, Helvetica, sans-serif;"><span style="color: #585858;">Hi $(name),
          you've been invited to:</span></span></span></p>
        <p style="text-align: center;"><em><strong><span style="font-size: 18px;"><span style="font-family: Arial, Helvetica, sans-serif;"><span style="color: #585858;">${projectName}</span></span></strong></em></p>
        <p style="text-align: center;"><span style="font-size: 18px;"><span style="font-family: Arial, Helvetica, sans-serif;"><span style="color: #585858;">Start your
          learning experience by clicking on the button below.</span></span></p>
      </td>
    </tr>
  </tbody>
</table>
```
