

## Hvorfor får jeg en feilmelding når jeg laster opp min "roster"?

David Berg - 2024-02-19 - Feilsøking

I denne artikkelen vil du lære hva du skal gjøre når du får en feilmelding som ser slik ut når du legger til en roster i din deltakerliste:

The screenshot shows the Learnifier user interface. At the top, there is a navigation bar with the Learnifier logo and various menu items: Dashboard, Projects, Users, Library, Reports, Automations, Settings, Go To, and a search icon. Below this is a secondary navigation bar with tabs for OVERVIEW, PARTICIPANTS, WAITLIST, COURSE PAGE, EVENTS, ASSIGNMENTS, DETAILS, COMMUNICATIONS, REPORTS, and SETTINGS. The main content area displays the course details for "Introduction to Learnifier". It includes a thumbnail image, the project title (ADMIN), the course title (LEARNER), and creation/update dates. Below the course details are several action buttons: "Edit course", "View course (Read only)", "Preview", "Delete", "Toggle demo flag", and "Copy". At the bottom of the course details, there are tabs for "Individual", "Group", and "Upload". The "Upload" tab is active, and a red error message box is displayed, stating "Oops! Check the fields below and try again" with a green arrow pointing to the error. The error message is: "Invalid profile value in cell D3: 791040450". Below the error message, there is a section titled "Upload participant list" with instructions to download a template and upload the roster file. A small blue chat icon is visible in the bottom right corner of the interface.

Problemet i dette tilfellet er skrivemåten av nummeret, basert på hva vi kan se fra skjermbildet ovenfor. Følg disse trinnene:

1. Åpne roster-filen.
2. Legg til symbolet ' foran telefonnummeret.
