För att göra en aktivitet frivillig, gå in i kursbyggaren och klicka på "Optional" i det övre högra hörnet.

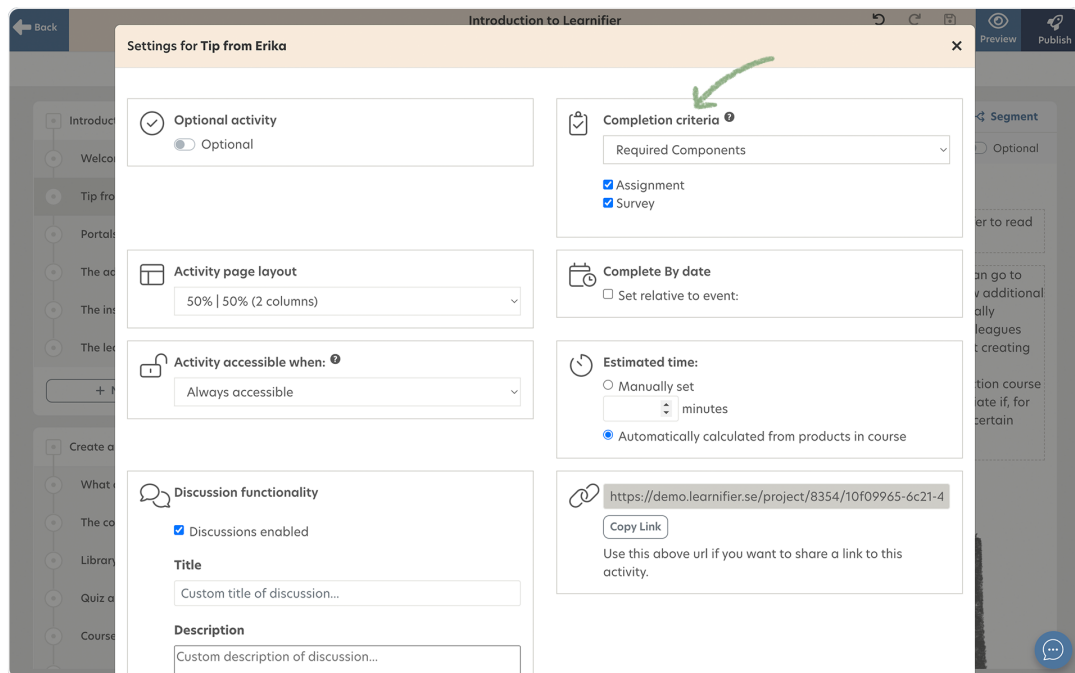

The screenshot shows the 'Introduction to Learnifier' course builder interface. The top navigation bar includes 'Back', 'Introduction to Learnifier' (Saved about a minute ago), and 'Undo', 'Redo', 'Save', 'Preview', 'Publish' buttons. The main navigation tabs are 'INTRO', 'ACTIVITIES', 'RESOURCES', and 'SETTINGS'. The left sidebar shows a tree view of the course structure under 'Introduction' and 'Create and administrate'. The main content area is in the 'Settings' tab for an activity titled 'Tip from Erika'. The 'Settings' section shows 'All Components' and a progress indicator '50% | 50%'. A green arrow points to the 'Optional' toggle switch, which is currently turned on. The activity content includes a title 'Tip from Erika', a paragraph of text, and two columns of bullet points. The bottom of the screen shows a magnifying glass icon and a blue circular button with three dots.

Om du vill göra specifika komponenter i en aktivitet frivilliga, gå till aktivitetens Settings.

Under "Completion criteria", välj "Required components" och specificera vilka komponenter som är obligatoriska.
