## Introducing a Swedish administrator interface

2024-03-26 - Ester Andersson - Product Highlight

## We are delighted to let you know that we have released Learnifier's administrator interface in Swedish!

We hope that this new feature will make it even easier for Swedish-speaking administrators to navigate and manage their Learnifier accounts effectively. By providing the interface in Swedish, we aim to enhance the user experience and remove any language barriers that may have previously existed.

We welcome any feedback or suggestions you may have regarding the Swedish interface. Our team is dedicated to listening to our users and incorporating their input into future updates.
