Adding your first project

Ester Andersson - 2024-07-03 - Getting started

1. On the home page, click on "Add project" at the top of the page.

1. Select your course design. Create a project from scratch by choosing "New Course" or use one of the templates if you wish to get a head start.

- 1. Name your project.
- 2. Set the time zone.
- 3. Choose your language.

- 1. Click on "Save".
- 2. All done!

Note: there are of course other ways you can create projects, such as via a template or by making a copy of

another project.
