Keep valuable statistics - Even for unenrolled participants!

2025-01-09 - Gabriella Eriksson - Product Highlight

You can now choose whether unenrolled participants should remain on the participant list or not. Participants who unenroll will be highlighted in red on the list and assigned the status **"Unenrolled"**, making it simple to distinguish them from active participants.

Keeping these participants in the list allows you to collect important data and gain a comprehensive overview of your courses. This helps you optimize your course offerings and focus on the right initiatives.

Prefer not to keep statistics? You can easily remove participants manually from the list or filter them out in reports.

With this flexible approach, you have full control over your course statistics and reporting!

The screenshot shows the Learnifier interface with a navigation bar at the top containing 'Dashboard', 'Projects', 'Users', 'Library', 'Reports', 'Automations', and 'Settings'. Below this is a sub-navigation bar with 'OVERVIEW', 'PARTICIPANTS', 'COURSE PAGE', 'EVENTS', 'ASSIGNMENTS', 'DETAILS', 'COMMUNICAT', 'REPORTS', and 'SETTINGS'. The main content area displays a table of participants with columns for 'NAME', 'INVITED', 'LAST EMAIL', 'LAST SEEN', 'STATUS', 'AWARDS', and 'CERT EXP'. The table includes a 'Send Email...' button and a 'Send Text...' button. A row for 'Gabriella Eriksson' is highlighted in red, and her status is 'Unenrolled'. A curved arrow points from the 'Unenrolled' status to the 'Remove' button in the table's action column.

| | NAME | INVITED | LAST EMAIL | LAST SEEN | STATUS | AWARDS | CERT EXP | |
