Custom & Scheduled Reports

Gabriella Eriksson - 2025-03-12 - [Administrasjon](#)

With **Custom & Scheduled Reports**, you can create tailored reports to fit your needs, whether for your entire client portal or a specific project. By filtering and automating reports, you quickly and easily gain insights that help you make informed decisions.

Available from: Enterprise and as an add-on on the Professional plan

Getting Started

Accessing Custom Reports

You can access Custom Reports in two ways:

1. Click "**Reports**" in the top menu.
2. Click "**Reports**" within a specific project.
3. On the next page, select "**Create report template**" in the upper right corner.

Reports

All reports Custom reports Standard reports Favorite reports

[Create report template](#)

Monthly course activity	Course activity month-over-month comparison	Usage	☆
Project completion status	Overview of completion status across all active projects	Usage	☆
Quiz results	Summary of quiz results	Usage	☆

Customizing Your Report

Basic Settings

- **Report Name:** Assign an internal name to your report.

- **Description:** Provide a brief summary of what the report is about.
- **Language:** Select the language for the report.

The screenshot shows the LERNIFIER dashboard with a navigation bar at the top containing links for Dashboard, Projects, Users, Library, Reports, Automations, and Settings. The user profile 'Gabriella' is in the top right. The main content area is titled 'Reports > Custom Report'. A yellow icon with a lightbulb is next to the 'Custom Report' title. Below this is a 'Define report settings' form with the following fields:

- Report name ***: A text input field containing 'Team Learning Time Report'.
- Report description**: A text input field containing 'Learning reporting for Stockholm Office'.
- Report language**: A dropdown menu currently set to 'English'.

Below the form, there is a section for 'Report parameters' with explanatory text: 'You can choose to narrow down the data by selecting specific parameters. If no selection is made, the report will include all projects and teams by default. Selecting fewer parameters may also speed up the report generation process.' Under this section, there is a 'Projects' label and a list of project names, each with a selection checkbox.

Data Selection

- **Projects:** Select specific projects to include or let the report cover all projects.
- **Teams:** Filter by teams within Teamview.
- **User Fields:** Use custom fields to create filtering rules.
 - *Example:* Filter a report for the IT department:
Department (Custom Field) → Is any of... → IT

LEARNIFIER Dashboard Projects Users Library Reports Automations Settings Go To Search Notifications Chat Gabriella

Report parameters
 You can choose to narrow down the data by selecting specific parameters.
 If no selection is made, the report will include all projects and teams by default.
 Selecting fewer parameters may also speed up the report generation process.

Columns

☐ First name	☐ Last name	☒ Activities completed
☐ Activities total	☐ Client Name	☐ Client Number
☒ Completion	☐ Completion Date	☐ Course
☐ Course end	☐ Course ID	☐ Course start
☒ Duration (minutes)	☐ E-mail	☐ Expiration date

Columns & Filters

- Choose which data fields to include, such as **completion date, project, email**.
- Default fields like **first name and last name** are always included.
- Select multiple columns for more detailed reports.

Examples:

- View which teams have completed a course: **Project + Completion + Completion Date**
- Track when participants started and completed a course: **Course Start + Completion Date**

Editing an Existing Report

1. Go to **Reports**.
2. Select the report you want to update.
3. Click "**Report Settings**" in the upper right corner and make your changes.

The screenshot shows the Learnifier web application interface. At the top, there's a navigation bar with the Learnifier logo and menu items: Dashboard, Projects, Users, Library, Reports, Automations, and Settings. On the right of the navigation bar are links for 'Go To', a search icon, a bell icon, a chat icon, and a user profile for Gabriella. Below the navigation bar, the breadcrumb trail reads 'Reports > Team Learning Time Report'. The main content area features a header for the 'Team Learning Time Report' with a yellow icon, a subtitle 'Learning reporting for Stockholm Office', and a 'Next generation: Mar 1, 2025' date. To the right of the header are two buttons: 'Report settings' (with a gear icon) and 'Generate new report'. A blue arrow points from the 'Report settings' button in the header to the 'Report settings' button in the main content area. Below the header is a table with columns: Date range, Projects, Teams, User fields, Generated by, Generated at, Status, and Actions. The table contains one row of data for the date range '01/01/2025 - 24/02/2025'. The 'Actions' column for this row includes a 'Download' button and a three-dot menu icon. At the bottom right of the page, there is a blue circular chat icon.

FAQs & Tips

Can I modify a report after it has been generated?

Yes! You can adjust the settings and create a new version of the report.

How can I ensure the report includes the correct data?

Double-check your selection of projects, teams, and custom fields before generating the report.

Is there a limit to the number of reports I can create?

No, you can create as many report templates as needed!

Summary & Next Steps

With **Custom & Scheduled Reports**, you can easily create, filter, and schedule reports to gain insights into your projects and users. Try creating your first report today and customize it to fit your needs!
