Legge til en ny mal

1. Gå til Library og klikk på "Email Templates".
2. Klikk på "Add Email Template" **eller** lag en kopi av en generisk e-postmal ved å klikke på den du vil kopiere, og deretter klikke på "Copy" (på denne måten trenger du ikke å bygge opp en e-poststruktur fra bunnen av).

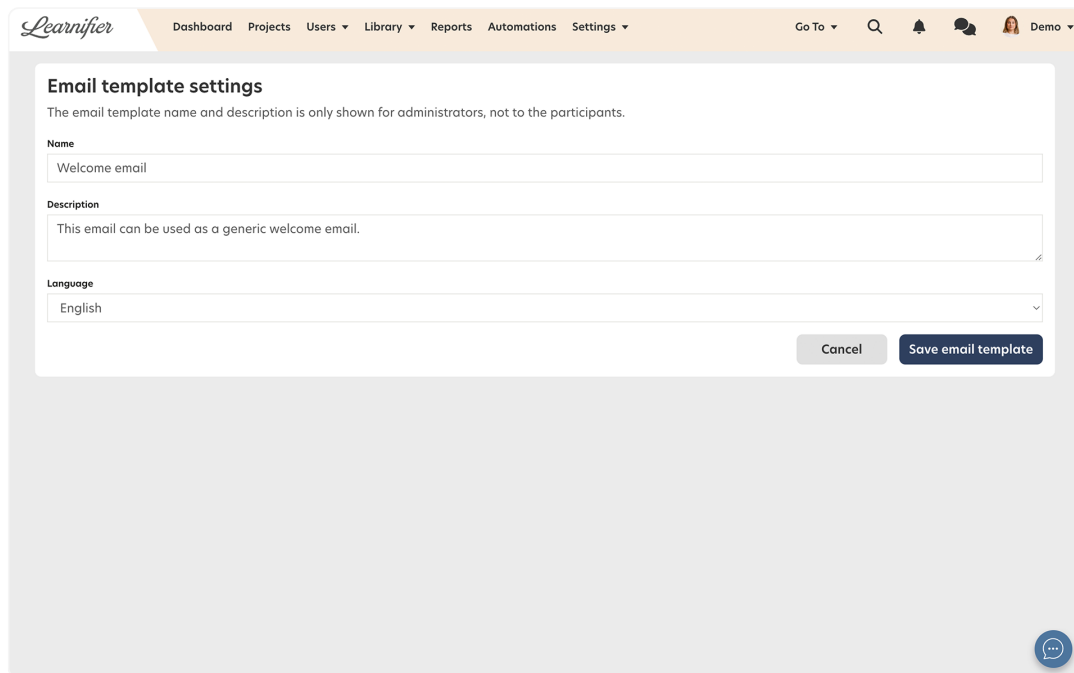

The screenshot displays the 'Email Templates' section of the Learnifier application. The interface includes a navigation menu at the top with options like 'Dashboard', 'Projects', 'Users', 'Library', 'Reports', 'Automations', and 'Settings'. A search bar is present for finding templates. Below the search bar is a table with columns for 'NAME', 'ORIGIN', and 'LANGUAGE'. Three templates are listed: 'Learner – Course Invitation Template' (Generic, English), 'Learner – Course Invitation Template' (Generic, Swedish), and 'Learner – Course Invitation Template (Re-branded)' (Customized, English). A green arrow points to the 'Add Email Template' button in the top right corner of the content area.

The screenshot shows the 'Email template settings' form in the Learnifier application. The form is titled 'Email template settings' and includes a note: 'The email template name and description is only shown for administrators, not to the participants.' The form has three main sections: 'Name' with a text input field containing 'Welcome email'; 'Description' with a text area containing 'This email can be used as a generic welcome email.'; and 'Language' with a dropdown menu set to 'English'. At the bottom right of the form are two buttons: 'Cancel' and 'Save email template'. The top navigation bar includes 'Dashboard', 'Projects', 'Users', 'Library', 'Reports', 'Automations', and 'Settings', along with utility icons for search, notifications, chat, and user profile.

5. Når du har lagret endringene dine, åpnes et nytt vindu. Klikk på "Edit Email" for å begynne å gjøre endringer.

The screenshot shows the 'Welcome email' template details page in the Learnifier application. The page is titled 'EMAIL TEMPLATE Welcome email'. It includes a header with 'CREATED Demo Ester May 30, 2023' and 'UPDATED'. Below the header are five buttons: 'Edit Email', 'Edit Settings', 'Lock', 'Copy to New', and 'Delete'. The main content area is divided into two sections: 'Description' with the text 'This email can be used as a generic welcome email.' and 'Language' set to 'English'. Below these is an 'Email template preview' section with 'Subject:' and 'Body:' labels, followed by a large empty text area for the email body. The top navigation bar and utility icons are the same as in the previous screenshot.
