

Automatisk inbjudan vid genomförd kurs

Ester Andersson - 2024-10-27 - Funktioner

“Auto-enrollment upon course completion” är en funktion som låter systemet automatiskt registrera en deltagare i en ny kurs när en annan kurs är Completed.

1. Gå till den kurs som du vill att dina deltagare genomföra för att sedan bjudas in till en annan kurs.
2. Under "Next course", klicka på "Add next course". Välj den kurs som dina deltagare ska bjudas in till.
3. Skapa en "[Automated communication](#)" i nästa kurs för att låta systemet automatiskt skicka ett välkomst-e-postmeddelande till alla registrerade deltagare (inte obligatoriskt).
4. Nu har dina deltagare tillgång till kursen!
